

DECLARATION Of Conformity

Holder: EDVOTEK, Inc.

Equipment Description: QuadraSource™ Power Supply is designed to power a combination of 4 horizontal or vertical electrophoresis units.

Model Name: 5010-Q QuadraSource™ Power Supply

Technical Data: AC 100-220V ~50-60 Hz 95W 1.7 amp

The submitted products have been tested by us with the listed standards and found in compliance with the following European Directives:

The product is within the scope of Directive 2002/96/EC on waste electrical and electronic equipment (WEEE).

The tests were performed in normal operation mode. The test results apply only to the particular sample tested and to specific tests carried out.

The EUT has been assessed against the requirements of the standard quoted above, and against the Essential Requirements of the Low Voltage Directive 2006/95/EEC.

All testing was conducted by:
